Please be aware that we will be operating a paid entry system this year. As a result, 3 passengers will be allowed free entry to the event per bus, in addition to the driver. All other passengers must pay £3 each.

We will once again be running free bus services; this year the plan is to serve Basildon bus station and Wickford each at 30 minute intervals.

There is a base timetable on the website which can be found by selecting the Bus Timetable page. The direct link is www.essexbusrally.com/html/bus_services.html

We'd like to allocate trips in advance of the day if possible as this will assist in a smoother running operation than we've managed at previous events. It will of course still be possible to volunteer on the day, but if you'd like to be allocated trips in advance please tick this box and let me know your wishes either on the back of this form or by email to contact@essexbusrally.com

We always struggle to cover the first trips to Barleylands and the last trips away – if you're prepared to run any of these, or can perhaps add them to a feeder, we'd be particularly grateful.

All vehicles must be MOT'd, taxed and correctly insured to be used on the public highway and drivers must hold the appropriate driving licence for the vehicle they are driving. Buses used on our free services must be insured for such use and drivers of such vehicles must have a category D PCV driving licence. Essex Bus Rally reserves the right to check compliance with these legal requirements. By signing below you confirm that you will comply with the legal requirements detailed above.

If you'd prefer to operate specific trips, please use this table to let us know:

Departure time from Barleylands rally site	Destination (ie, bus station or Wickford)

If you're happy to let us allocate you times, use this table:

	No. of Trips
Basildon Bus Station	
Wickford Town Centre	

If you're able to cover one of the first trips in from Basildon bus station or Wickford town centre, or one of the last trips out.....or add them to a feeder, please let us know below:
